Droplet offers a solution for your patient's needs

For adjudicated business

Droplet is the fastest growing brand in the US

Micron 34G x 3.5mm is the latest category innovation and preferred by patients over the leading brand

For cash business

Insupen is high-quality alternative for cash-paying customers

Sicura

First and only fully passive safety needle designed to eliminate needlestick injuries!

Unique shield protects immunizers from accidental needle contact before and after injection, with a safety mechanism that automatically activates after use.

Barrier Bandage

Patented pre-injection adhesive applied prior to injection, providing safe containment of post-injection bleeding to limit immunizer exposure to bloodborne pathogens.
